

## ***CARCASS EVALUATION RESULTS***

Listed below are the results for years 1995 through 2006 that make up our 12 year average & our 2006 average. All cattle are Calf-Feds at the Broken Bow, NE ranch. All cattle were sold in the beef with the Live Weight taken at the ranch prior to shipment.  
(\* 4% shrink is deducted from the Live Weight to reach the dressing %)
